## Competitor Bulletin 3

Issued: Saturday, December 5, 2015

### Transit time from SS3 to SS4

There is a discrepancy between the transit time shown on the time card for this transit and the time shown both on the schedule on page 6 and on the individual transit pages.

The time card is always considered correct. As such the transit time should be 30 minutes.

### Arrows moved on Bullet

Note that the triple caution arrows on Bullet have been moved closer to the actual corner that is cautioned to be more indicative of where the caution. The crossed arrows are now immediately before the corner.

### Recce Speeding Fines

The following car was caught speeding during recce and is fined accordingly.

#### Car 5, Kozlov 86 in a 60. – first infraction \$200

Due to the severity of the speeding, this issue will also be referred to the region and CARS for further action if deemed appropriate.
